insurance rates soaring to unprecedented heights in recent years, many Texans are searching for a way to keep their costs down. Enter Safe2Drive's Defensive Driving course, a 6-hour online course approved by the TDLR that can help drivers obtain a discount on their auto insurance, dismiss their traffic ticket and learn essential defensive driving skills that will help keep them safe on the road.

Benefits That Are Driving Texans to Safe2Drive:

Insurance Discounts

Upon successful course completion, drivers receive a Certificate of Completion, which, when presented to

insurance providers, can lead to premium reductions. Drivers should talk to their insurance providers before taking the course to make sure they provide discounts for completing a defensive driving course and to determine the discount amount.

Ticket Dismissal

One of the standout features of Safe2Drive's course is its [ability to assist drivers in dismissing their traffic tickets](#), ensuring a cleaner driving record. A cleaner driver record can also help drivers save money on their auto insurance.

Flexible Learning Environment

Safe2Drive understands the hectic lives of its students. Their course offers flexibility with a 6-hour online curriculum that permits learners to engage at their own pace and log in and out at their convenience.

Comprehensive Curriculum

Covering critical topics such as distracted driving, how to handle driving emergencies, and defensive driving tactics, the course ensures that drivers are well-equipped to handle various

situations on the road.

Available in Spanish

Safe2Drive's online Texas Defensive Driving course is also available in Spanish.

Carl Reese, the owner of Safe2Drive, emphasized the company's commitment to traffic safety, stating, "From the beginning, our goal has been more than just helping drivers obtain an insurance discount or dismiss a ticket. It's about educating drivers on how to keep themselves safe on the road. The fact that the Texas DMV requires its employees to take our course is a testament to its efficacy and relevance."

Feedback on the course has been overwhelmingly positive. "I very much enjoyed the course," Patricia T. from Kerrville, Texas said. "Even though I've been driving over 40 yrs [sic], I definitely feel like the course refreshed my driving skills and made me feel like I am now going to be a safer driver."

You can register for Safe2Drive's Defensive Driving course online and access the course via desktop or mobile devices.
