“

Every home is not just a property but a carefully crafted asset, renovated to the highest standards, ensuring minimal operational costs and maximized returns.”

Kala Laos, CEO, Zoodealio

CapXLight homes are meticulously renovated with high-quality construction and materials, ensuring low CapEx expenses for years to come. Each home is a testament to Zoodealio’s commitment to excellence, offering rental funds an opportunity to minimize the stabilization period and maximize returns, as assets are ready to be rented immediately.

“We’ve meticulously designed CapXLight to be the golden ticket for single family rental funds. Every home is not just a property but a carefully crafted asset, renovated to the

highest standards, ensuring minimal operational costs and maximized returns,” said Kala Laos, CEO of Zoodealio. “In the competitive rental landscape, CapXLight is the edge that funds need to optimize their portfolios.”

The strategic location of CapXLight homes across the Sunbelt States ensures rental funds can tap

into thriving rental markets with a ready-to-go portfolio. The quality of construction and materials used promises reduced maintenance and CapEx expenses, ensuring consistent and optimized returns.

Zoodealio's CapXLight is more than a product; it's a strategic advantage for single family rental funds. It epitomizes efficiency, quality, and profitability, marking a significant milestone in the real estate investment landscape.
