About Dave's Hot Chicken

In a modern-day American dream story, Arman Oganesyanyan and best friend Chef Dave Kopushyan, along with brothers Tommy and Gary Rubenyanyan, launched Dave's Hot Chicken in a parking lot pop-up in 2017. Dave's Hot Chicken quickly took off, opening its first brick-and-mortar restaurant in East Hollywood. In 2019, the team struck a deal with Wetzel's Pretzels co-founder and former CEO, Bill Phelps, and movie producer John Davis to begin franchising the Dave's Hot Chicken concept throughout the U.S. and beyond. The company has sold the rights to more than 700 franchise locations in the U.S. and Canada and will open an additional 60 locations this year. Harkening back to an Eater LA blog that helped propel early interest in the brand, the company's mission is to "blow their minds." Additional brand investors include Billboard's Artist of the Decade, Drake, former California First Lady Maria Shriver, actor Samuel L. Jackson, and Good Morning America anchor and retired NFL player Michael Strahan.
