

TDL Gentek and RADWIN join forces to bring top quality wireless broadband solutions to Canada

TEL AVIV, ISRAEL, October 9, 2023 /EINPresswire.com/ -- [RADWIN](#), a leading wireless broadband provider, today announced a partnership with [TDL Gentek](#), a top Canadian distributor known for delivering cutting-edge technology to broadband operators, system integrators, installers, and value-added resellers. With TDL Gentek expanding its product range to include RADWIN, Canadian customers can benefit from affordable, state-of-the-art carrier-class wireless broadband solutions to improve network infrastructure and connectivity.

RADWIN's wireless solutions, including PTP, PTMP, and mobility, are extensively employed by service providers, WISPs, as well as organizations in public safety and critical infrastructure, including those in Canada. Through the partnership with TDL, Canadian organizations can now benefit from a trusted and well-known source for all their wireless requirements. With RADWIN's cutting-edge technology and TDL's expertise, the possibilities for wireless connectivity are limitless.

“

Our partnership with RADWIN represents our strong commitment to delivering the best in wireless technology to our customers.”

Laurie Tugman, CEO of TDL Gentek

“Our partnership with RADWIN represents our strong commitment to delivering the best in wireless technology to our customers. By distributing RADWIN's powerful solutions in Canada, we're not only strengthening our WISP product portfolio but also giving our customers more choices and capabilities to build robust wireless networks

at a crucial time in Canada. This collaboration is a testament to our dedication to empowering businesses and communities with the very best in connectivity solutions” said Laurie Tugman,

CEO of TDL Gentek.

Alvaro Gonzalez Bancalari, RADWIN General Manager, Americas, enthusiastically states, "This exciting partnership with TDL Gentek allows RADWIN to provide a readily available and trusted source for our wireless solutions in Canada. TDL Gentek has a stellar reputation as a distributor of top-notch IT and communications solutions, and we are thrilled to collaborate with them in the Canadian market."

For more information come meet the TDL Gentek team @ WISPAPALOOZA, RADWIN Booth #625. October 9-12, Paris / Horseshoe, Las Vegas.

About RADWIN

RADWIN is a global provider of broadband wireless solutions that deliver fast broadband with unparalleled reliability.
