The 2023 Kia EV6 represents a quantum leap in electric vehicle technology. Boasting a sleek and aerodynamic design, this EV not only turns heads but also delivers a driving experience like no other. Key highlights of the 2023 Kia EV6 include:

Exceptional Range: The EV6 offers an impressive range of up to 310 miles on a single charge, ensuring you can go the distance without worry.

2023 Kia EV6

Rapid Charging: With the capability to charge from 10% to 80% in just 18 minutes, you can spend less time at charging stations and more time on the road.

Cutting-Edge Technology: The EV6 is equipped with state-of-the-art tech features, including a panoramic 14-inch touchscreen, augmented reality head-up display, and a suite of advanced driver-assistance systems.

Sustainable Luxury: The interior is crafted with eco-friendly materials, providing a luxurious and comfortable cabin that's also environmentally responsible.

Jim Marsh Kia's instant rebate incentive program is not just about saving customers money; it's about making a positive impact on the environment. With every 2023 Kia EV6 sold, the dealership is contributing to a greener future. Electric vehicles produce zero tailpipe emissions, reducing carbon footprints and helping combat climate change.

Moreover, the instant rebate incentives serve as an acknowledgment of the importance of sustainable transportation. As the automotive industry shifts towards electric mobility, Jim Marsh Kia is leading the charge by providing accessible and attractive options for eco-conscious consumers.

Claiming the instant rebate on a 2023 Kia EV6 at Jim Marsh Kia is a straightforward process:

Visit Jim Marsh Kia's showroom located at 8555 W Centennial Pkwy Bldg B, Las Vegas, Nevada. Choose your preferred 2023 Kia EV6 trim and configuration.

Consult with our knowledgeable sales team to determine the exact instant rebate amount for your selected model.

Complete your purchase and enjoy the thrill of driving into a sustainable future while saving big.

Act Now for Unprecedented Savings
