

Salt Edge and SeaPay Partner to Empower Saudi Arabian Merchants with Open Banking Solutions

Salt Edge and SeaPay have announced a strategic partnership to provide open banking solutions to Saudi Arabian merchants. The partnership will enable merchants to access their bank accounts and transaction data through a secure and user-friendly interface. This collaboration is expected to drive digital transformation and improve the merchant experience in the region.

RIYADH, SAUDI ARABIA, October 10, 2023 /EINPresswire.com/ -- Salt Edge and SeaPay have announced a strategic partnership to provide open banking solutions to Saudi Arabian merchants. The partnership will enable merchants to access their bank accounts and transaction data through a secure and user-friendly interface. This collaboration is expected to drive digital transformation and improve the merchant experience in the region.

Salt Edge and SeaPay are committed to providing high-quality, secure, and user-friendly open banking solutions to Saudi Arabian merchants. The partnership will enable merchants to access their bank accounts and transaction data through a secure and user-friendly interface. This collaboration is expected to drive digital transformation and improve the merchant experience in the region.

The partnership between Salt Edge and SeaPay is a significant milestone in the development of the open banking ecosystem in Saudi Arabia. It will enable merchants to access their bank accounts and transaction data through a secure and user-friendly interface. This collaboration is expected to drive digital transformation and improve the merchant experience in the region.
