Trivio Pharmacy acknowledges this challenge and believes that a smile can make a significant difference. Smiling not only has the power to uplift one's own spirit but also has a ripple effect on others. A smile can brighten someone's day, make them feel seen, and remind them that they are not alone.

World Smile Day Celebration

To celebrate World Smile Day, Trivio Pharmacy has planned a week-long celebration from 6th October to 13th October. As part of this initiative, Trivio Pharmacy is distributing smiley balls to serve as a visual reminder to keep smiling. This simple yet impactful gesture aims to spread
