

My Arcade® updates the legendary classic Galaga with a joystick

My Arcade® announces the GALAGA Joystick Player, a portable retro arcade machine that brings the nostalgia of retro gaming to the palm of your hand.

TORRANCE, CALIFORNIA, UNITED STATES, October 23, 2023

/EINPresswire.com/ -- My Arcade® announces the GALAGA Joystick Player, a portable retro arcade machine that brings the nostalgia of retro gaming to the palm of your hand. Transporting players back to the past, the GALAGA Joystick Player brings the excitement of classic arcade gaming into the modern era. The responsive joystick allows for precise movements, ensuring that every command is executed with utmost accuracy. Relive the thrill of battling swarms of relentless aliens and dodging their laser fire with finesse. This new addition to the My Arcade® collection includes two fully-playable classics GALAGA and GALAXIAN and is available today for an MSRP of \$49.99.

The Galaga Joystick Player

Despite its compact size, the Joystick Player boasts a vibrant 3.2" full-color backlit display that delivers sharp graphics, immersing you in every pixel of your favorite retro games. The external facing speaker with adjustable volume faithfully reproduces the nostalgic sounds of the arcade. The delightful fusion of vintage aesthetics and modern technology makes the GALAGA Joystick Player a striking addition to any game room, office, or display case.
