

Kenneth Nobles Tree Service Achieves Unprecedented Growth and Efficiency Through Partnership with Tree Leads Today

PENSACOLA, FLORIDA, USA, October 10, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- Kenneth Nobles Tree Service, a venerable name in the tree care industry with over two decades of experience, proudly announces its strategic partnership with Tree Leads Today (TLT), a leading marketing company specializing in exclusive leads for tree care and removal businesses. This partnership has ignited remarkable growth in revenue and efficiency, positioning Kenneth Nobles Tree Service as a formidable force in the Pensacola area.

Kenneth Nobles, the visionary owner of the company, attests to the transformation brought about by TLT: "Tree Leads Today keeps the phone ringing plain and simple. We have been in business for over 20 years, and the phone has never rung the way it has since we started advertising with Tree Leads Today!"

The impact on business growth is undeniable, with a monthly increase ranging from 5% to 20% over the most recent quarter. In total, there has been a staggering 75% increase in revenue over the previous quarter. Such substantial growth has necessitated the hiring of additional employees to efficiently manage the influx of work.

One of the key advantages of this partnership is the exclusive leads provided by TLT. Kenneth Nobles explains the preference for exclusive leads, stating, "Being able to talk to someone on the phone and set up the appointment at a convenient time for them is invaluable. It helps us to be able to show how much we care about what we do by working with them every step of the way, from call to completion."

Geo-targeting, another hallmark of TLT's services, has revolutionized the efficiency of Kenneth Nobles Tree Service. Kenneth Nobles, who also serves as the estimator, elaborates on the

impact: "With the geo-targeting, the estimates basically schedule themselves in the same area, which cuts down on my workload, allows me to more efficiently use my time, and usually gets me home earlier at the end of the day—all while estimating an increased number of jobs on a given day."

The proximity of jobs facilitated by TLT has not only increased operational efficiency but also boosted revenue by allowing multiple jobs to be completed in the same day due to close proximity. This strategic advantage has elevated the company's service quality while optimizing time and resources.

The partnership between Kenneth Nobles Tree Service and Tree Leads Today underscores the commitment to excellence in the tree care industry. It aligns seamlessly with TLT's mission of providing exclusive, high-quality leads to its partners and complements Kenneth Nobles Tree Service's dedication to delivering top-notch tree care services to the Pensacola community.
