

BioVeritas to Present at ABLC NEXT 2023

CCO of upcycling company to discuss a platform technology to displace high-carbon intensity petrochemicals from everyday life, beginning with food ingredients

BRYAN, TX, UNITED STATES, October 10, 2023 /EINPresswire.com/ --

[BioVeritas](#), LLC, a bio-based ingredients company pioneering a proprietary upcycling process, today announced that Pareen Shah, chief commercial officer, will present at ABLC NEXT 2023 on October 19, 2023 in San Francisco. Mr. Shah will discuss “Advanced Bioeconomy Strategies” at 4:30PM PST at the Hotel Nikko.

Mr. Shah will participate in a panel of experts that will discuss innovative strategies for generating value in the bioeconomy, including tapping into consumer demand for clean-label ingredients. This not only directly delivers on consumer needs but also accelerates the transition away from fossil fuels in the production of inputs for everyday life.

“BioVeritas is cracking the code on clean-label ingredients that deliver on efficacy and taste, enabling a direct drop-in replacement for petrochemical-based ingredients,” stated Mr. Shah. “Starting with food, we believe our revolutionary technology can translate to a number of markets rooted in the petrochemical technologies of the past.”
