

Israel War: World's Tallest Digital Israeli Flag Lights-Up Paramount Miami Worldcenter Skyscraper in Solidarity

MIAMI, FLORIDA, UNITED STATES, October 10, 2023 /EINPresswire.com/ -- The World's Tallest Digital Israeli Flag and the enormous electronic words, "solidarity," spelled in English and Hebrew (סולידריות), are lighting-up the 60-story Paramount Miami Worldcenter skyscraper in downtown Miami.

The display will be lit-up every morning before dawn and after sunset at 8:00 pm until Midnight through Friday.

Florida is ranked the third most-populated state in the U.S. with the most Jewish people – more than 620 million.

The World's Tallest Digital Israeli Flag is lighting-up the 60-story Paramount Miami Worldcenter as a signal of solidarity between America and the people of Israel. (Bryan Glazer | World Satellite Television News)

CEO's Signal of Solidarity

We pray for the families of the kidnapped hostages. We grieve for the victims of this massacre. And, we demand justice."

Daniel Kodsi, CEO, Royal Palm Companies

"The Paramount Miami Tower is sending a signal of solidarity from South Florida to the people of Israel," says Daniel Kodsi (Cod-See) CEO of the Royal Palm Companies – builder of the Paramount Tower.

"There is sorrow and outrage in our community," says Kodsi, who has family members in Israel; some of whom are being "called up" for uniformed duty.

He continues, "We pray for the families of the kidnapped hostages. We grieve for the victims of this massacre. And, we demand justice."

Tower Lighting Description

Across Paramount's 700-foot-high by 300-foot-wide rooftop crown are the wafting images of the Israeli flag's blue horizontal stripes and Star of David.

Through the superstructure's 60-story center column is a field of deep blue and the white word, "Solidarity" in both English and Hebrew.

The building will illuminate from now through Friday, between 5:00 a.m. and 6:30 a.m. and 7:30 p.m. – Midnight, at the top and bottom of every hour, for a duration of five minutes.

World's Most-Advanced Lighting System

The Paramount Miami Worldcenter skyscraper is composed of five miles of wires connected to 13,400 L.E.D.'s (light emitting diodes) embedded in 10,000 panes of high impact-resistant glass.

The \$3-million Color Kinetics animation lighting system can create a combination of 16.2-million colors.

The nightly electric utility bill is about \$34.

It took three years for a team of 12 technicians to install the system.

It was designed by Gavin Cooper, CEO of L.E.D. Smith, Inc. of West Palm Beach, Fla.

His work is featured on bridges and buildings, worldwide.

Among his projects is the Empire State Building.

U.S. & Florida Jewish Population Stats

Nearly 7.5-million Jews are residents and citizens of the U.S., according to the American Jewish Federation.

The State of Florida is home to more than 620,000 Jewish people.

Many are Israeli expatriates.

More than 520,000 Jewish people reside in Miami-Dade, Broward, and Palm Beach Counties.

Nearly 19 percent of Miami-Dade County is Jewish, according to several sources.

Palm Beach County is nearly 16 percent Jewish, according to the county's Jewish Federation chapter.

The Boca Raton area has an estimated population of 95,000 Jews and 16 synagogues.

The history of Jews in South Florida dates-back to the 19th century.

A vast majority of South Florida Jews are Ashkenazi-descendants of Eastern European, Polish, and Russian ancestry.

Many are also immigrants from Argentina, Brazil, Chile, Colombia, Cuba, Israel, Mexico, and Peru.

About Paramount Miami Worldcenter

The 700-foot-tall Paramount Miami Worldcenter superstructure is the city's soaring signature skyscraper.

It features the world's most technologically-advanced L.E.D. animation system.

Miami Worldcenter is America's second-largest real estate development and the city's new residential, retail, hospitality, entertainment, and transportation complex.
