

CyberQ Group Gains Outstanding Recognition: Nominated for Top Honours at Birmingham Tech Week & Innovation Awards 2023

CyberQ Group Gains Outstanding Recognition: Nominated for Top Honours at Birmingham Tech Week & Innovation Awards 2023.

WEST MIDLANDS, BIRMINGHAM, UNITED KINGDOM, October 10, 2023 /EINPresswire.com/ -- [CyberQ Group](https://www.cyberqgroup.com/), a premier cybersecurity enterprise in the UK, US and Philippines is excited to announce our nomination for prestigious honours at the Birmingham Tech Week on 20th October 2023, followed by the Innovation Awards on 27th October 2023.

At Birmingham Tech Week 2023

CyberQ Group is proud to be in the running for the Global Growth Award, which recognises business expansion and innovation. This nomination highlights CyberQ Groups growth and dedication to delivering top notch cybersecurity solutions on a scale.

In addition, CyberQ Group has been acknowledged by the Innovation Awards 2023 for its achievements. It has received nominations for both Tech Innovation of the Year and Technology Innovation Champion of the Year awards. These nominations showcase the company's pursuit of excellence and innovation in the technology and cybersecurity sectors.

"We are incredibly grateful and excited to receive recognition from these awards. It is a reflection of our team's unwavering commitment and hard work, in delivering world class AI enabled cybersecurity solutions and services " says Chris Woods, Founder, CyberQ Group.

"We are committed to pushing the limits of innovation safeguarding our clients cyber resilience and promoting expansion."

Looking ahead, for CyberQ Group, the horizon is brimming with possibilities. We are setting our
