The FxScouts.com brand grows again with the migration of forex-malaysia.my to fxscouts.com/my.

STOCKHOLM, SWEDEN, October 10, 2023 /EINPresswire.com/ -- Following the successful rebranding of legacy sites in South Africa, India and Australia, Forex-Malaysia becomes the latest regional site to come under the wider FxScouts umbrella.

Founded in 2012, TradeForexSA was the first site in the FxScouts network of independent Forex broker review sites. It quickly built a reputation for journalistic integrity and honesty, and following this, Forex-Malaysia was founded in 2016. Both these sites were built to help traders get the best start to their trading careers.

Since its establishment 11 years ago, FXScouts is now available in 27 markets and 11 languages, and the rebranding of these websites is an important exercise in unifying the FxScouts brand.
