

FOX News' Bret Baier Features New Book 'To Rescue the Constitution' On B.J. McLeod's NASCAR Cup Series Car At Las Vegas

LAS VEGAS, NV, USA, October 11, 2023 /EINPresswire.com/ -- FOX News Anchor and Chief Political Correspondent, [Bret Baier](#) is excited to announce a partnership with NASCAR Driver B.J. McLeod and Live Fast Motorsports, to feature his new book (IN STORES TODAY), 'To Rescue The Constitution: George Washington and the Fragile American Experiment' on the No. 78 Chevrolet Camaro in the NASCAR Cup Series South Point 400 at Las Vegas Motor Speedway this Sunday, October 15th. The partnership was developed in conjunction with [The Magnifyde Agency](#).

"I'm excited to team up with B.J. and [Team Live Fast](#) for my first time competing in a NASCAR Cup Series Playoff race. Having previously been active in the NASCAR Xfinity series, I sponsored a car around my last book release 'To Rescue The Republic' and it worked very well. I'm hoping the 'To Rescue The Constitution' car will be a winner for the new book and No. 78!"

In the book, Baier captures the dramatic moments when George Washington's leadership brought the nation from the brink of collapse. Baier exposes an early America that is grittier and far more divided than it is often portrayed—one we can see reflected in today's conflicts.

Baier is a five-time #1 New York Times bestselling author and serves as Fox News Channel's Chief Political Anchor. To Rescue The Constitution is a blockbuster new biography of George Washington, centering on his return from retirement to lead the Constitutional Convention and secure the future of the United States.
