

# Exeter Orthodontics in Millersville Offers Invisalign to Downtown Lancaster Residents

*Invisalign in Millersville offers a comfortable, convenient, and discreet orthodontic option for students.*

MILLERSVILLE, PA, UNITED STATES, November 1, 2023 /EINPresswire.com/ -- Exeter Orthodontics offers a state-of-the-art orthodontic facility in Millersville, conveniently located near Millersville University and the bustling Downtown Lancaster. Recognized as a premier [orthodontist in Millersville](#), the practice offers affordable [Invisalign](#) treatments, making it an ideal choice for young adults and busy college students.

Exeter Orthodontics offers braces to the Lancaster area.

Invisalign aligners have revolutionized orthodontic care with their convenience and comfort. Unlike traditional [braces](#), these clear aligners are removable, allowing students to enjoy their meals without restrictions and maintain optimal oral hygiene. They are especially suited for college students who are constantly on the move, be it rushing between classes or participating in sports. The discreet design ensures that students can confidently smile without the noticeable appearance of metal braces.

“

Invisalign aligners offer the perfect blend of convenience and effectiveness.”

Dr. Lauren Wegrzyniak, orthodontist at Exeter

Orthodontics, emphasized the benefits of Invisalign for the younger generation: "Invisalign aligners offer the perfect blend of convenience and effectiveness. We understand the dynamic lifestyles of college students, and Invisalign ensures they can pursue a straighter smile without any disruptions. It's orthodontic care tailored for the modern age."

While Invisalign is a fantastic option for many, Exeter Orthodontics also offers traditional braces for those who prefer or require them. Traditional braces are available for only \$3,995. This comprehensive price includes X-rays, retainers, adjustments, and repairs, ensuring no hidden costs or surprises.
