“

We are delighted to be able to offer our clients the opportunity to rent some of the most luxurious properties on the Golden Mile.”

*Cilo Marbella's Managing Director, Mr. Jason Higgs*

Cilo Marbella's Managing Director, Mr. Jason Higgs, said: "Our villas are the epitome of luxury and offer our guests the very best in terms of facilities and services."

The villas, which range in size from 1,000 to 5,000 square metres, come complete with private pools, gardens, and a team of dedicated staff including chefs, and housekeepers.

Mr. Higgs continued: "many of our villas are [beachfront](#) and contain little extras such as private tennis courts and

gymnasiums etc. However, we find that if there is one essential extra requirement that is desired; then it is a villa that has a state of the art security system and is located within a gated community. All of the Magnificent Seven Collection possess these features. In addition, we can

also provide private security staff where required. We believe that our villas offer the very best in terms of luxury, privacy, and security, and we are confident that our guests will have a truly unforgettable experience.”
