

M&M Tree Care LLC Soars to New Heights with Tree Leads Today, Tripling in Size and Setting Industry Standards

BASTROP, TEXAS, USA, October 11, 2023 /EINPresswire.com/ -- In the heart of Bastrop, Texas, M&M Tree Care LLC, led by Owner Erik Argumedo, is rewriting the story of growth and success in the tree care and removal industry. The catalyst behind this remarkable transformation? A strategic partnership with Tree Leads Today (TLT), a pioneering marketing company specializing in delivering exclusive leads to tree care and removal businesses.

Nestled in the picturesque town of Bastrop and serving a vast expanse that includes Elgin, Cedar Creek, Manor, Giddings, Smithville, and Paige, M&M Tree Care LLC has rapidly risen to prominence. In just three years, this young and dynamic company has achieved unparalleled growth and success.

Erik Argumedo, the driving force behind M&M Tree Care LLC, shares the transformative impact of TLT on his business, stating, "TLT has doubled my income within the past two years. My growth has been phenomenal, and the impact on my business is immeasurable."

Argumedo's experience exemplifies the effectiveness of exclusive leads provided by TLT. He adds, "The leads are more personal, aligning perfectly with our core values of honesty, loyalty, and integrity. When homeowners reach out to us, we treat them with the respect they deserve. They call us because they need our services, and we take that very seriously here at M&M."

The success story of M&M Tree Care LLC is not just about numbers; it's about real growth and its positive impact on the local community. Argumedo reports, "We've had to hire a whole new crew

to handle the new influx of work brought in by TLT."

The efficiency of TLT's geo-targeting is another key factor in M&M Tree Care LLC's success. Argumedo affirms, "We lock in 8 out of 10 leads, a testament to the effectiveness of staying within our target areas."

Proximity of jobs has revolutionized the company's operations. "It's unreal. Once we get the calls, we book them as soon as possible. Customers are thrilled with how quickly we can respond to their needs," Argumedo notes.

The significance of the relationship between Erik Argumedo and TLT extends beyond leads; it's a partnership built on trust and responsiveness. He highlights the importance of this partnership, stating, "The reason I value my relationship with Tree Leads Today has a lot to do with my relationship with Mike Batten. He's quick to respond to my emails and phone calls."

Erik Argumedo concludes by underscoring the transformational impact of TLT, stating, "TLT has made it possible for M&M Tree Care LLC to triple its size within two years. I'm living proof that TLT is the greatest thing since sliced bread. We've been able to invest in dump trailers, chippers, and stump grinders due to our consistent business throughout the year. Going from one work truck to four is something you have to see to believe. We are the best tree service coming out of Bastrop, Texas, and our clients are not shy about expressing their feelings towards us. Reviews are awesome, and I know for a fact we are headed in the right direction."
