

InventionHome® Announces New Invention—Talking Golf Ball

MONROEVILLE, PA, 15146, October 11, 2023 /EINPresswire.com/ -- Nancy B. of Utah has created a novelty golf product designed to bring humor and entertainment to golf enthusiasts. The invention is a motion and touch-activated golf ball with a variety of pre-programmed humorous golf messages that poke fun at a golfer's game and skill level. It makes a fantastic novelty or gag gift for all golf lovers.

Nancy is working closely with [InventionHome](#), a leading invention licensing firm, to sell or license the patent rights to her Talking Golf Ball. Ideal licensing candidates would be U.S. based product manufacturers or distributors looking to further develop and distribute this product innovation.

Companies interested in the Talking Golf Ball can contact InventionHome at member@inventionhome.com.

Inventors currently looking for assistance in patenting, marketing, or licensing their invention can request information from InventionHome at info@inventionhome.com or by calling 1-866-844-6512.
