

Enhesa and DevonWay Announce Strategic Partnership to Advance EHS Compliance Solutions

BRUSSELS, BELGIUM, October 12, 2023 /EINPresswire.com/ -- [Enhesa](#), the leading provider of regulatory and sustainability intelligence worldwide, has entered into a strategic alliance with DevonWay, a pioneering force in cutting-edge Environmental Health and Safety (EHS), Quality Management (QMS), and Enterprise Asset Management (EAM) software solutions.

The partnership will couple Enhesa's unmatched expertise in global regulatory intelligence with DevonWay's comprehensive, highly configurable set of products. Together, Enhesa and DevonWay will deliver a fully integrated solution allowing businesses to easily comply with an intricate web of EHS regulations while optimizing operational performance.

Through this alliance, Enhesa and DevonWay will provide our mutual customers with a unified approach to EHS compliance."

Peter Schramme, CEO at Enhesa

"Through this alliance, Enhesa and DevonWay will provide our mutual customers with a unified approach to EHS compliance, enabling them to stay informed about evolving regulations, gain access to real-time regulatory updates, and ensure proactive compliance across all jurisdictions," said Peter Schramme, CEO of Enhesa. "This partnership represents a fusion of our regulatory expertise with DevonWay's innovative technology, reinforcing our shared commitment to empowering organizations in their pursuit of EHS excellence."

"By combining Enhesa's domain expertise with our fully configurable, right-size approach to operational workflows, regulatory compliance shifts from being a burden to being a competitive advantage," said Chris Moustakas, DevonWay CEO. "It's always fulfilling to see truly

complementary capabilities come together to create new efficiencies for our customers.”
