

Musical Story for Children Enthralls Readers

Travel Through the Seasons with Kenneth Korber's Musical Adventures of Grace Series

RICHMOND, CALIFORNIA, USA, October 13, 2023 /EINPresswire.com/ -- An exciting musical adventure awaits kids and adults alike in an entertaining and heart-warming story, written with beautifully illustrated drawings, in a children's storybook that warms hearts. Above all, it takes readers on a fun season-to-season journey with inspiring endings that provide insightful lessons.

Written by prolific writer, Kenneth

Korber, the story brings fun illustrations, easy-to-love characters, and timeless pieces of stories, aimed at serving tons of lessons in a 28-pager book. In "[Musical Adventures of Grace - Winter](#)," one of the books in The Adventures of Grace Series, readers will be taken to a catchy story of Grace, a little musical note that sat alone on a musical page while other bigger and louder notes were "more important."

According to Korber, the background for this Musical Adventures of Grace series comes from a casual question to his cello-playing son, "What are those little notes next to the big notes on your music sheet?"

"They're grace notes, Dad," said his son. "And that kernel became the stories of Grace and her friends," said Korber. He continues that this Winter story represents the first of four seasonal adventures where a "Grace Note" is transformed into a little girl through the magic of a holiday concert because she wants to know where the music goes after the notes are played. In the three following stories, Grace meets new friends and learns more about the magical things that can be accomplished through creating, playing, and listening to all kinds of music.

The book is envisioned to be a gift to children and parents to be used for bedtime stories - especially during the holiday season - and to help bring new lessons to children such as building

one's character and seeing the value to the undervalued. Lessons that can be learned in this book such as developing confidence, strength, patience, and being helpful to others are magnified vividly in its pages. According to S. Morris, a verified reviewer on Amazon writes: "A wonderful book for kids to enjoy. It teaches kids to explore their gift of music."

Alongside this book, Korber also wrote "Grace and the Musical Willow Tree: A Summer Adventure," "The Musical Adventures of Grace - Spring", and the upcoming "Musical Adventures of Grace - Fall"; completing the awe-inspiring series.
