

# BeSmartee Launches Innovative Flexible Pre-Qualification Solution

*BeSmartee, a leading lendtech solutions provider, has introduced an innovative flexible pre-qualification system for the real estate industry.*

ALISO VIEJO, CALIFORNIA, UNITED STATES, October 12, 2023 /EINPresswire.com/ -- BeSmartee, a leading lendtech solutions provider, is thrilled to announce the debut of its pre-qualification solution designed to cater to the ever-changing dynamics of today's housing market.

“

At BeSmartee, we are committed to providing innovative solutions that empower our clients to become more efficient in today's market.”

*Tim Nguyen, CEO at  
BeSmartee*

In an industry known for its constant evolution and market fluctuations, BeSmartee is revolutionizing how real estate professionals pre-qualify potential buyers. The company's new flexible pre-qualification system empowers realtors, loan officers and borrowers like never before.

## Key Features of BeSmartee's Flexible Prequalification

System:

Lenders need pre-qualification solutions today because they are essential for staying agile in the fast-paced real estate market. These solutions offer personalization, adaptability and document tracking capabilities, enabling lenders to quickly and accurately assess borrowers' eligibility, tailor lending solutions, and maintain regulatory compliance, ultimately enhancing efficiency and competitiveness.

1. **Personalization:** BeSmartee's innovative solution empowers users to personalize pre-qualification letters according to their exact needs and preferences. Whether you're a realtor, a borrower or a loan officer, you can easily personalize the content and data on your pre-qualification letters.
2. **Adaptability:** BeSmartee's system is designed to accommodate a variety of scenarios, whether you're pre-qualifying based on Automated Underwriting System (AUS) results or Loan Officer (LO) review.
3. **User-Friendly Interface:** The system's intuitive user interface simplifies the process of generating pre-qualification letters. With additional fields for Loan Amount, Purchase Price and

Loan Type, users can input data effortlessly, ensuring accuracy and compliance.

4. Configurability: BeSmartee's solution offers a range of configuration options, including the ability to limit Loan Amount and Purchase Price, ensuring that your pre-qualification letters align precisely with your unique needs and market conditions.

5. Realtor Empowerment: Recognizing the importance of flexibility for real estate professionals, BeSmartee empowers realtors to independently create pre-qualification letters, reducing wait times and streamlining the buying process.

6. Document Tracking: The system automatically records the date and time of document generation and provides a straightforward way to share these documents with borrowers.

"At BeSmartee, we are committed to providing innovative solutions that empower our clients to become more efficient in today's market," said Tim Nguyen, CEO at BeSmartee.
