"The number of users who use Islamic trading conditions has more than tripled since the beginning of 2023. Thus, FBS is especially honored to receive the Best Islamic Forex Account award. It is a testament to our success in delivering tailored trading tools that cater to the needs of traders of different backgrounds. FBS's 'Islamic Trading' or 'Swap-Free' empowers Muslim traders, enabling them to participate in forex and CFD-trading without incurring overnight swap fees under the principles of Islamic finance.
