MINNETONKA, MINNESOTA, UNITED STATES, October 12, 2023

/EINPresswire.com/ -- [Jobma](#), a leading video interviewing platform, announced today that it has been awarded the Fall 2023 Top Performer Award in the Video Interviewing

Software category by [SourceForge](#), the world's largest software review and comparison website. This award recognizes exceptional companies and products with a significant amount of recent favorable user reviews on SourceForge. This is a big achievement for Jobma as they have been selected by users as a quality product in the category and selected from over 90,000 products.

“

We're honored to be recognized as Fall 2023 Top Performer by SourceForge. We understand the pivotal role video interviews play in recruitment, and we're committed to providing top-notch solutions.”

Krishna Kant

Jobma winning the Top Performer Award in the video interviewing category is a testament to the company's dedication to user satisfaction and providing an unmatched video interviewing experience to businesses and candidates.

To win the Fall 2023 Top Performer award, each winner had to receive enough high-rated user reviews to place the winning product in the top 10% of favorably reviewed products on SourceForge, which demonstrates the utmost quality that Jobma delivers to customers.

“We're honored to be recognized as Fall 2023 Top Performer by SourceForge in the video interviewing category,” said Krishna Kant, Managing Partner at Jobma. “We understand the pivotal role video interviews play in recruitment, and we're committed to providing top-notch

solutions that empower businesses and candidates alike."

Logan Abbott, President at SourceForge, said "I'm excited to award the Fall 2023 to the Top Performers on SourceForge. Jobma has been named a Top Performer this Fall in the Video Interviewing category, and their numerous outstanding user reviews are proof of the excellent solution they provide to their customers."

Jobma's video interviewing software helps organizations improve the quality of hires, reduce time-to-hire, and drive growth. The product's recognition as the Top Performer in the video interviewing software category by SourceForge makes it an even more valuable and trusted tool for businesses globally.
