

Highlights from Construction Links Network - October 12, 2023

Peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, October 12, 2023 /EINPresswire.com/ -- Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content including news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, videos and more.

The top video is courtesy of Civil Mentors who take a look at the building of the Las Vegas \$2.3 billion Sphere. This \$2.3 billion project, developed by Madison Square Garden Entertainment, is the world's largest spherical structure, surpassing the previous record holder Avicii arena in Sweden. With a seating capacity of up to 18,000 people, the venue aims to host not only concerts but also award shows, product launches, and even Esports tournaments.
