

The MUSE Creative and Design Awards Announce Their 2024 Competition with a Stirring Theme: "Shaping Legacies"

International Awards Associate (IAA) is thrilled to announce the commencement of the 2024 MUSE Creative Awards and MUSE Design Awards.

NEW YORK, NY, UNITED STATES, October 17, 2023 /EINPresswire.com/ -- International Awards Associate (IAA) is thrilled to announce the commencement of its eagerly anticipated 2024 competition: the [MUSE Creative Awards](#) and [MUSE Design Awards](#).

Dedicated to honoring, promoting, and celebrating creativity and design excellence worldwide, MUSE has chosen the resonant theme of "Shaping Legacies". This theme aims to highlight the enduring impact and significant contributions of creative minds globally.

2024 MUSE Creative Awards Call for Entries

“

As the competition will become a part of the upcoming season's winners' legacies, it is rather poetic when juxtaposed with this season's theme.”

*Thomas Brandt, Spokesperson
of IAA*

“Every year, the MUSE Awards strive to recognize and applaud the tireless endeavors of the creative community,” states Thomas Brandt, the spokesperson for IAA. He continued, expressing his enthusiasm for this year's competition, “Our 2024 theme, 'Shaping Legacies,' underscores the profound legacy that these professionals etch into our world. Whether achieved through groundbreaking designs or captivating creative campaigns, we fervently believe the world should recognize and laud their impact on the industry.”

The MUSE Creative Awards is a platform for creatives professionals to showcase their craft. Participants include a diverse range of individuals, including graphic designers, typographers, business owners, freelancers, students, videographers, content managers, web designers, and mobile app developers.

On the other hand, the MUSE Design Awards caters to design professionals who work in architecture, interior design, lighting design, fashion design, product and packaging design, furniture design, transportation, landscape, and conceptual design.

Participants can submit their works as an individual or as teams. With submission being entirely online, entrants are able to make a submission no matter where they are in the world. A small fee is charged for administrative purposes. Entries will be judged by a jury of international professionals, who will be using the blind judging method so as to judge an entry entirely on its own merits, without being compared to another entry.

2024 MUSE Statuettes - Platinum, Gold & Silver

The 2024 MUSE statuettes symbolize the intricate intertwining of stories that form legacies, whether of an individual or of multiple individuals. To honor these legacies and the allure they possess, the statuette is presented in three distinct, lustrous designs corresponding to the winning tiers of Platinum, Gold, and Silver.

IAA hopes that 2024's competition will redefine benchmarks of excellence by recognizing the remarkably talented creative and design professionals worldwide who participate in their program.

"We are eager to see what inspirational pieces will grace our competition in 2024," Thomas remarked. "As the competition will become a part of the upcoming season's winners' legacies, it is rather poetic when juxtaposed with this season's theme. That said, it would be our privilege to be a witness to their legacies being shaped."

The competitions will be open for submissions from October 14, 2023 until February 29, 2024. To save on submission fees, interested parties are advised to enter during the Early Bird Deadline.
