

# Blue Raven Solar Added to the Top Ten of MountainWest Capital Network's 2023 Utah 100

*For a sixth year, Blue Raven Solar is one of the top 100 fastest growing companies in Utah.*

OREM, UTAH, USA, October 17, 2023 /EINPresswire.com/ -- The 2023 MountainWest Capital Network (MWCN) Utah 100 has once again named Blue Raven Solar as one of the top ten fastest-growing companies in Utah. The company was honored at the annual Utah 100 Awards program at the Grand America Hotel in Salt Lake City for a sixth year in a row.

In a rapidly growing industry, it is exciting to be moving forward with this much momentum. Solar energy is the future, and this is a testament to that."

Aiming to acknowledge the impacts of local businesses on the economy, the MWCN's exclusive awards program recognizes professional service providers, entrepreneurs, and investors.

"In a rapidly growing industry, it is exciting to be moving

forward with this much momentum. Solar energy is the future, and this is a testament to that," says Brendan Hahn, Chief Revenue Officer of Blue Raven Solar.

Blue Raven Solar provides homeowners with the best solar technology while saving on their utility bills, with a mission to make lives better. In nine years, the company has grown from three to over 3,000 team members nationwide and has become a top solar company in the U.S.

Recipients of the Utah 100 were chosen by the percentage of revenue increase of each company between 2018 and 2022.

"The businesses on this year's list have shown a remarkable capacity for delivering value to their customers while remaining agile as they navigate national economic challenges," says Jason Roberts, Chair of the MWCN Utah100 committee.
