

# Take3Tech Selected As Preferred Partner of BlackFin

*BlackFin's growing list of qualified Preferred Partners becomes a valuable resource to lending industry.*

ENGLEWOOD, CO, UNITED STATES, October 17, 2023 /EINPresswire.com/ -- [BlackFin](#) Group, a management consulting firm serving the Banking and Mortgage Industries, announced today the

addition of [Take3Tech](#) as their newest Preferred Partner. Take3Tech, a dynamic and innovative player in the mortgage banking sector, has quietly been serving mortgage bankers by offering a comprehensive suite of technology products that have gained rapid popularity. Among

Take3Tech's flagship offerings, TheRuleTool and the LoanMAPS POS/LOS stand out as cloud-based solutions that provide invaluable knowledge and accessibility. Notably, their AI-powered POS/LOS system has been gaining substantial traction in the industry. The LoanMAPS POS and LOS have proven to simplify the mortgage origination process by leveraging cutting edge technologies.

“

Take3 LoanMaps tech stack helps lenders streamline originations from end-to-end. Delivering unmatched lending efficiency and effectiveness.”

*Anita Padilla, Take3Tech CEO*

Anita Padilla, CEO of Take3, highlighted the Partnership by

saying, “The Take3 LoanMaps tech stack helps lenders streamline originations from end-to-end. Delivering unmatched lending efficiency and effectiveness. Moreover, the platform is lowering per loan expenses and allows lenders to scale growth more easily with simplified integrations, implementations, and overall user adoption. This is key during a time when traditional LOS and POS technologies now have a per loan cost over fourteen thousand dollars.”

Brad Thompson, President & COO of Take 3 added, “We are excited to partner with the team at BlackFin. They have a highly respected and proven team and we are looking forward to working with them and showing lenders how to tackle some of the industry’s most challenging issues facing the market today.”

Keith Kempf, CEO of BlackFin said, “we couldn’t be happier to add Take3 to our growing list of Preferred Partners. The management team and their products meet our highest standards of credibility, integrity, and quality for mortgage bankers. Mortgage lenders need to add them to

the top of their list for critical consideration at their firm.”

#### About Take3Tech

Take3Tech was born from the idea that mortgage technology should be simple but powerful. Our data-centric platform gives you total transparency as the data flows seamlessly between our mortgage CRM, POS, and LOS. Combined with our complete integrations with third-party providers, no longer do you need complex implementations or multiple systems for each part of the origination process.

#### About BlackFin Group

BlackFin Group is an umbrella of services and software products that specializes in the financial services industry. BlackFin is where national, regional, and community-banks, credit unions, and independent mortgage bankers turn for trusted consulting experts, services, and insights.
