

Raku9™ Introduces Unique Mobile Data and Virtual Private Network Service, Setting New Industry Standards

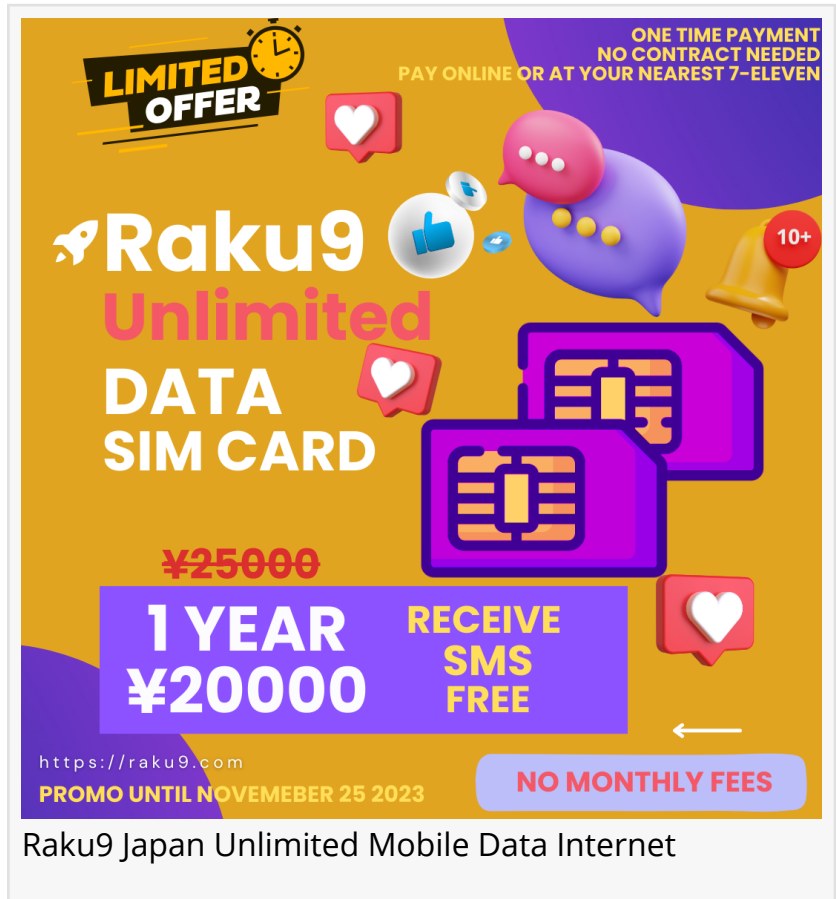

CHIYODA-KU, TOKYO, JAPAN, October 15, 2023 /EINPresswire.com/ -- [Raku9™](https://raku9.com/), a leading player in the SaaS industry, proudly unveils an innovative service that seamlessly combines [unlimited mobile data](#) with a virtual private network. This forward-thinking offering addresses the evolving needs of users, focusing on affordability and accessibility while maintaining the highest standards of data security.

In a departure from conventional subscription models and long-term commitments, Raku9™ introduces a hassle-free, one-time payment option. This approach is designed to simplify the user experience, offering customers unlimited internet mobile data and robust VPN capabilities without the constraints of monthly fees or binding contracts.

"Our mission is to provide an exceptional mobile data and security experience to our users in Japan. We believe that [mobile internet](#) should be both cost-effective and secure, and our unique offering is a testament to this vision," said Yumi Kuroda, Campaign Manager at Raku9™.

Raku9™ caters to a diverse user base, including the foreign community in Japan, by providing multilingual customer support in languages such as English and others. This feature eliminates language barriers and enhances the convenience of engaging with customer support.

Furthermore, Raku9™ stands out as the most cost-effective nationwide unlimited mobile data service. The company is currently offering a promotional discount, valid until November 25,

The graphic is a promotional advertisement for Raku9's Unlimited DATA SIM CARD. It features a yellow and purple color scheme. At the top left, a black banner with a clock icon says "LIMITED OFFER". To the right, it says "PAY ONLINE OR AT YOUR NEAREST 7-ELEVEN". In the top right corner, a purple box states "ONE TIME PAYMENT NO CONTRACT NEEDED". The center of the graphic prominently displays "Raku9 Unlimited DATA SIM CARD" in white and pink text. Below this, a large purple box shows the price "¥25000" crossed out and "¥20000" in white. To the right of the price, it says "RECEIVE SMS FREE". At the bottom left, the URL "https://raku9.com" is shown above "PROMO UNTIL NOVEMBER 25 2023". At the bottom right, a purple button says "NO MONTHLY FEES". The background is decorated with various icons: a heart in a speech bubble, a thumbs up, a bell, and two SIM cards. A red circle with "10+" is also visible.

Raku9 Japan Unlimited Mobile Data Internet

2023, making this already attractive package even more appealing to users.

To ensure accessibility, Raku9™ offers various payment options. Users can choose to pay online through well-known platforms like Amazon Pay, Google Pay, Apple Pay, or Credit Card. For those ineligible for online payments, a convenient alternative is available - payments can be made at the nearest 7-Eleven store.

As Raku9™ redefines the landscape of Japanese SaaS, the focus remains on user satisfaction and data privacy. The combination of unlimited mobile data and a VPN in a single, affordable package, along with a user-friendly payment process and multilingual support, positions Raku9™ as a significant player in the industry.
