[Dejavoo Systems](#), an [iPOS Systems](#)

company and a major international

payment solution provider, and [Priority Payments Local](#)™, a leader in automotive technology, today announced the successful launch of AutoLink™, an innovative payment integration system designed to transform the way automotive dealerships handle card payments.

iPOS Systems

Payment Transaction Solutions

iPOS Systems, a leader in the payments industry, provides complete processing solutions for merchants of all types and sizes.

Our partnerships with Priority Payments Local and CDK Global will help auto dealers best position themselves in today's competitive payments' marketplace by reducing costs and increasing sales."

Mony Zenou, Founder and CEO of iPOS Systems

By seamlessly integrating with CDK Global, a provider of automotive dealership software, AutoLink™ promises to streamline payment processing for automobile dealers offering unparalleled convenience and efficiency.

"We are proud to introduce AutoLink™ to the automotive industry," said Angelo Mendola, President and COO at Priority Payments Local. "This integration is not only a testament to our commitment to innovation but also to the development of a significant technological benefit for automotive dealers, card processors, and ISOs."

Key Features of AutoLink™

Seamless Integration - AutoLink™ integrates with CDK Global, providing a unified platform for dealerships to handle payments effortlessly.

Enhanced User Experience - Dealers, processors, and ISOs will benefit from an intuitive interface that simplifies payment processing, reduces manual effort, and eliminates potential errors.

Versatile Payment Acceptance - AutoLink™ is designed to accept a wide range of payment types, ensuring flexibility for customers and simplifying the transaction process.

Cost-Efficiency - Compared to other payment integrators in the automotive industry, AutoLink™ offers a lower-cost solution without compromising quality or features. The collaboration between iPOS Systems, Priority Payments Local, and CDK Global represents a new era in the automotive technology sector.

Angelo Mendola, President and COO at Priority Payments Local, added, "This partnership marks a significant milestone for our companies. It

combines Priority Payments' expertise in automotive payment processing with iPOS Systems' cutting-edge technology solutions. Together, we aim to revolutionize the payment experience for businesses across the dealer ecosystem."
