LLENA(AI)<sup>™</sup> - Where AI Meets GI For Better Health

BATON ROUGE, LA, UNITED STATES,  
October 16, 2023 /EINPresswire.com/ --  
LLENA(AI)<sup>™</sup> Health Solutions Inc. has

been spotlighted in the USDA - Ascend for Better Health Report, emphasizing the food and nutrition challenges in African American communities, particularly in Baton Rouge. The launch of USDA's ASCEND virtual center further bolsters science-driven health initiatives. LLENA(AI)<sup>™</sup>'s prominence in the report emphasizes its tech-driven role in addressing health disparities. This

We continue to grow and support our communities nationwide meeting the needs in nutrition, exercise and coaching for those that need it most."

The Agricultural Science Center of Excellence for Nutrition and Diet (ASCEND) for Better Health is a virtual center aimed at boosting food and nutrition security for all Americans through science-based solutions. On September 28th, USDA, in collaboration with Southern University, launched its inaugural Nutrition Hub in Baton Rouge, Louisiana. This initiative aligns with LLENA(AI)<sup>™</sup>'s

goals, emphasizing a joint commitment to fostering a healthier America, addressing food deserts and food insecurities in underserved and rural communities.
