

George A. Evans Reveals a Way to Ditch the Distractions and Tune-In to Truth with His New Book: The Truth Tree

Being stuck in the endless cycles of materialism and striving takes the joy out of living. This book offers a path to rediscover a life beyond mere existing.

FORT MILL, SOUTH CAROLINA, UNITED STATES, January 18, 2024 /EINPresswire.com/ -- George A.

“

As we seek truth, we share
and as we share, we grow.
As we grow, we gain
knowledge, wisdom, and
understanding...today, the
invitation is here to ditch the
distractions and tune-in to
the truth.”

George A. Evans

Evans, founder of Kingdom Worker Ministries and author, announces the launch of his new book, *The Truth Tree: Finding Truth Amidst the Distractions*. This enlightening book serves as a beacon for those who feel that there must be more to living than simply surviving, offering a path to rediscover and reclaim their lives beyond mere existing.

Evans' journey to faith was not straightforward. Raised in a Christian home, he followed his family's faith without truly internalizing it, in the same way that one gets in the water and swims but doesn't become a fish. When George left

home for college he wasn't a fish and he was no longer swimming in that water of his family's faith. What was once normal and comforting and known became a struggle without his family and their faith around him. In the years that followed, George balanced on a fence that marked the boundaries between lightness and darkness. George was aware of God but lacked a true understanding of Him, His love, and His truth. An unforgettable Sunday morning encounter, however, led Evans to a courageous leap of faith, moving away from the darkness and towards the light. in Psalm 1:3.
