The new Origin massage practice in Uster has four treatment rooms in a stylish furnishing style. Minimal, functional, warm and calming: here in the beautiful city of Uster, the interior design style of Japan meets Scandinavia.

Look forward to a wonderful atmosphere in which clients can book diverse treatment methods by a team of highly trained therapists. The med. Masseurs and naturopaths Annika, Patricia, and, from November, Janine, offer popular mass methods and naturopathic consultations at this location. Other treatment methods that clients can book at this location include classic massage, medical massage, sports massage, pregnancy massage, fascia therapy, trigger point therapy, deep tissue massage, foot reflexology and naturopathy, according to TEN.

The location of the practice on Gerbestrasse impresses with its proximity to the train station and the old town while offering clients reserved bicycle and car parking spaces in front of the door. Pure relaxation awaits clients at the new Origin Massage location in Horgen. The branch's experienced therapist, Sayora, has opened her own location here and offers a variety of treatment methods in a wonderful atmosphere.

Look forward to moments of relaxation and enjoy a massage at Sayora at Seestrasse 147 in Horgen. In addition to the classic massage, many other treatment methods await clients, such as trigger point therapy, sports massage, deep tissue or fascia therapy.
