NEW YORK, NY, UNITED STATES OF AMERICA, October 17, 2023

/EINPresswire.com/ -- MvVO ART/AD ART SHOW 2023 announced winners of AD ART SHOW 2023 at Powerhouse Arts on October 16, 2023. Top Honors went to Parme Marin for sculptural and mixed media works that exemplify a depth of emotion coupled with explorations of spatial dynamics, using leather, blown glass, wood, paper and other media. Known both for her eponymous fashion line and work for Hermes, she has recently focused on developing her art practice, studying at the Art Students League in New York; and creating works that draw on her technical prowess with a range of materials to create a distinctive artistic point-of-view. She received the Special AD ART SHOW Clio from longtime MvVO ART/AD ART SHOW sponsor - The Clio Awards.

Abstract mixed media photographer Tobi Shinobi and expressionist mixed media artist Marco Gallotta also received top honors from the collectors' jury. Tobi finds inspiration in social media and his time at Tik Tok. His work is a synthesis of analog & digital, creating an equilibrium that invites the viewer to participate in a dialog with his work. Marco, with his expertise in paper-cutting techniques, drawing, watercolors, and printmaking, creates uniquely layered artworks coveted by celebrated collectors, fashion brands, and major museums.

MvVO ART/AD ART SHOW lead sponsor, OUTFRONT Media is bringing spectacular exposure to the AD ART SHOW artists, featuring the works of Parme Marin, Tobi Shinobi, and Marco Gallotta

on the massive Cube Billboard in Times Square. Art created by the remaining top ten will be featured on OUTFRONT Media billboards in: New York, Los Angeles, Chicago, Dallas, Houston, Miami, Washington DC, Philadelphia, Atlanta, and Boston—providing grand scale exposure.

“This year’s group of artists is particularly impressive! Representing nearly 100 vibrant, individual voices in ART. They clearly demonstrate the depth of artistic talent among the dual career artists we celebrate each year during AD ART SHOW and the value of time spent working in commercial art. The Clio for Parme is so well-deserved! I am also thrilled that AD ART SHOW is partnering with OUTFRONT Media to showcase our winning artists. Art on billboards across the country expresses the significance of creativity in contemporary life and how important it is to provide opportunities for artists to thrive.” said Maria van Vlodrop Founder & CEO, MvVO ART/AD ART SHOW
