Set to premiere as late as Spring 2024 "Cavewoman" producers are currently in talks with the executive representation at A&E, Discovery and National Geographic networks. The show ventures beyond the boundaries of conventional reality television show, immersing viewers in an awe-inspiring journey back to the dawn of humanity that adds a twist of Airbnb adventures. The show features a group of daring family and friends, stripped of all modern comforts, as they confront the challenges and

triumphs of building out an Airbnb lifestyle in a cave.

Through the lens of unscripted drama, "Cavewoman" offers a riveting exploration of the human spirit's resilience and adaptability. Executive Producer Mark Anthony, known for his commitment to pushing the boundaries of storytelling, has masterfully crafted a dynamic collaboration with the shows creator, Vicky Sanger an experience that combines this exhilarating adventure with profound insights into the essence of human connection and survival.

Mark Anthony the visionary force behind Young Soo Productions, commented, "Cavewoman is not just a television show. It's a transformative journey that delves into the heart of our shared human history. It embodies the spirit of courage, unity, and endurance that defines us as a species. Through this project, we aim to inspire audiences to reconnect with the primal instincts that reside within us all."

"Cavewoman" represents a groundbreaking fusion of entertainment, raw humor and education, shedding light on the timeless themes of resilience, teamwork, and the indomitable nature of the human spirit. With its captivating narrative and visually stunning depiction of a bygone era, like the Flintstones, the show promises to captivate audiences of all ages and backgrounds.

Tune in to "Cavewoman" in the Spring of 2024 and embark on an unforgettable expedition into the depths of the prehistoric world that infuses the modern Airbnb vibe, brought to you by the creative genius' of Vicky, Georgio, Jason and Mark who bring a ton of creative experience to the world television.
