it has added a comprehensive suite of FDA-cleared hair loss/enhancement treatments to its highly respected plastic surgery practice.

GetHairMD's full suite of clinically proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option"

Dr. JoAnne Lopes

With this partnership, Dr. Lopes joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss. Dr. Lopes will also serve on the GetHairMD™ clinical advisory board as it continues its nationwide expansion.

GetHairMD™ offers multifaceted, personalized solutions for patients battling hair loss. These solutions range from non-invasive treatments such as laser hair growth treatments, PRP, prescription topicals, at-home therapies

and stress management products to minimally invasive hair grafting. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion for hair loss, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"The Cosmetic Surgery Center has been successfully treating patients' plastic surgery and medical aesthetics needs for over two decades and recently decided that minimally invasive hair restoration solutions will significantly enhance the services we provide for our patients," said [Dr. JoAnne Lopes](#). "GetHairMD's full suite of safe and effective clinically proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option to meet their needs."

"We are so pleased to be partnering with Dr. Lopes to bring our proven hair restoration treatments to patients in Virginia Beach and the surrounding areas" said Paul Herchman, GetHairMD CEO, "Hair loss affects over 45% of the adult population in both men and women. Dr.

Lopes and her fantastic team will now offer patients unsurpassed, proven hair restoration solutions to solve what has become a growing issue for people of all ages.”

The Cosmetic Surgery Center is conveniently located at 328 Louisa Ave. #110 Virginia Beach, VA 23454.
