Experts & Authors

Experts & Authors TV is a constantly evolving network delivering reliable, informative insights on a variety of topics. Every day the catalog is expanding with innovative programming on a vast array of subjects including health and fitness, business and finance, mindfulness and spirituality, food, politics, the environment, and much, much more.

Included in the available programming are such shows as "Talking Books" with J.T. Crowley, an immersive exploration of new books and authors with the British writer J.T. Crowley; the innovative self-help program "How to Live a Fantastic Life" with Dr. Allen Steve Lycka; empowering programming for women with "Exquisitely Aligned" with Gina Maier Vincent; and then there is "Seek Reality" with Roberta Grimes which explores the mysteries of the after-life. There is a great deal more programming coming up, including the spiritual travelogue "Journey to Consciousness" with James Meade; a health fitness, and nutrition program produced by the famed Canyon Ranch fitness resort, and the New Paradigm International Symposia series of lectures produced by the Laszlo Institute of New Paradigm Research, covering topics regarding consciousness, religion, politics, and cosmology. There will also be documentary films and much, much more.

Both [SelectBooks](#) and Scout Media are uniquely positioned to develop this channel with access to a diverse group of leaders and authors. The launch of the platform is being made in collaboration with Mary Lou Davidson and her organization, Scout Media Strategies. Experts and
