

VCD Announces Fall 2023 Classroom Scholarship Winners

OKLAHOMA CITY, OK, US, October 19, 2023 /EINPresswire.com/ -- Teachers have a lifelong impact. From transmitting important ideas to inspiring us, educators play a crucial part in shaping the adults we become.

Unfortunately, teachers don't always have access to the resources they need to create an ideal learning environment. It's why [Vision Care Direct of Oklahoma](#) created a Classroom Scholarship Program that recognizes dedicated educators with a cash prize.

Twice a year, VCD awards a total of six \$250 classroom scholarships to Oklahoma teachers. Educators can spend the cash prize to purchase books, music and art supplies, hands-on games, flexible seating, and more.

The purpose of this program is to give educators the freedom to create an engaging learning environment where students can thrive and grow through exciting learning experiences.

Since its creation in 2018, VCD's Classroom Scholarship Program has recognized the important work of 48 teachers by distributing over \$12,000 in funds. The scholarships have facilitated access to learning resources for students in a wide range of environments, including middle schools, high schools, rural schools, and other institutions.

MEET THE WINNERS

VCD is proudly announcing the list of winners for the Fall Semester 2023 Classroom Scholarship.
