MOUNT HOLLY, NEW JERSEY, UNITED STATES, October 19, 2023 /EINPresswire.com/ -- [The Undercover Unit](#), a New Jersey-based entertainment/event company, has just launched a new service specializing in fully immersive themed parties. They also offer custom event planning for those looking for a truly unique experience.

"Many people are ditching the traditional party models and the trend is all about stepping outside of the ordinary and immersing ourselves in a new experience," says [Tony Slade](#) founder of The Undercover Unit. "We believe that every celebration should be an adventure, an escape from the everyday. And that's exactly what we aim to deliver." Tony Slade also stated that he uses his experience as an actor/director/writer and his 15 years in law enforcement to create the most realistic adventures that he can.
