*Philly and Suzy invite you into their world hoping after Covid 19 to put some smiles on a lot of faces and make people feel good while watching their messages.*

SPOKANE, WA, UNITED STATES, October 20, 2023 /EINPresswire.com/ -- It's not often that the West Coast Lines up with the East Coast. However, with Suzette McGoldrick (Suzy) from Spokane, Washington and Philip Swing (Philly) dale, from Archdale, North Carolina this happened.

Here is their Story.

They both experienced a significant loss that could have consumed them. They met on a "Loss of Spouse" website which is frequented by grieving widows. The conversations started with comments and texts. Soon they turned to phone calls and Facetime.

Fat Cat

The Facetime visits became more frequent and longer in duration, which helped bridge the 2500 mile distance between them.
