The Business Research Company's global market reports are now updated with the latest market sizing information for the year 2023 and forecasted to 2032"

The Business Research Company

The growth of the proanthocyanidins market is primarily attributed to the increasing prevalence of lifestyle-related diseases. The North America region is expected to hold the largest share in the proanthocyanidins market. Major players contributing significantly to the market include Amway Corp., Herbalife Nutrition Ltd., Ocean Spray Cranberries Inc., Nature's Way Limited, Naturex SA, and NOW Foods Private Limited.
