

Highlights from Construction Links Network - October 19, 2023

Peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, October 19, 2023 /EINPresswire.com/ -- Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content including news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, videos and more.

This week, the beautiful City of Calgary is the place to be. Tuesday saw the second stop of Procore's How We Build Now Roadshow - Alberta Edition. Procore recently released their industry benchmarking report: How We Build Now, where peers revealed the industry and technology trends shaping Canadian construction. The Calgary event was partnered with The Home Depot Pro, Calgary Construction Association, SAIT and ExakTime, by Arcoro. The How We Build Now Roadshow will continue on across the country with stops in Vancouver and Halifax.

Calgary is also the host city for two important industry events this week. CIPHEX West - Western Canada's largest trade show for the HVAC, plumbing, hydronics and water treatment industry. October 18 and 19 - BMO Centre at Stampede Park. BUILDEX Alberta - providing essential continuing education, networking, and sourcing opportunities for Alberta's building and
