“

They say if you come to Buenos Aires and you haven't danced tango, then you haven't been to Buenos Aires!!”

Emilene Faria

The tango experience packages offer travelers a unique opportunity to immerse themselves in the culture and history of tango, a dance that originated in Buenos Aires in the late 19th century and has since become a global phenomenon. The packages include:

- A tango class with professional instructors who will teach the basic steps and techniques of tango, as well as the etiquette and codes of the dance.
- A milonga discovery tour with local dancers who will take the guests to authentic and traditional milongas, where they can practice their skills and mingle with the locals.
- A combination of both the class and the tour, for those who want to have a complete tango experience.
- A dinner tango show at one of the two most prestigious venues in the city: Teatro Astor Piazzolla or Esquina Carlos Gardel. The guests will enjoy a three-course meal and drinks while

watching a spectacular show featuring some of the best dancers and musicians in the country.

- A combination of all of the above, for those who want to indulge in a full-day tango extravaganza.

The packages also include transportation within the city and airport transfers if needed. The prices start from \$99 per person and do not include flights, personal expenses, or travel insurance.
