Although the terms of the deal were not disclosed for confidentiality purposes, the seller confirmed that the eCommerce tracking company was sold around the asking price.

Ownloop, a leading direct-to-consumer eCommerce company specializing in premium smartwatch bands and accessories, was acquired in a significant milestone for the tech accessory industry. Ownloops is most notably known for selling premium Apple® Watch bands.

Founded with a passion for delivering premium quality at

affordable prices, Ownloop quickly became synonymous with stylish and functional smartwatch bands for Apple® Watch enthusiasts.

Recognizing the gap between customer demand and the affordability of high-quality Apple® accessories, Ownloop revolutionized the market by offering an extensive range of bands designed to enhance the everyday experience of Apple® Watch users.

Adam Spiegel, the visionary force behind Ownloop, expressed his enthusiasm about the

acquisition, stating, "Our journey at Ownloop has always been about enriching the lives of Apple® lovers by providing them with premium bands and accessories without the hefty price tag. This acquisition marks a new chapter for Ownloop, and I am confident that our legacy will continue to flourish under new stewardship."

Ownloop's commitment to bridging the gap between functionality and aesthetics resulted in a diverse product line, featuring bands in various sizes, models, designs, and materials.

With a focus on delivering stylish and durable options, Ownloop's offerings were tailored to improve the day-to-day experience and usability of the Apple Watch, setting a new standard in the industry.

The sale of Ownloop was expertly facilitated by [Gwen Sylvester](#), a broker from renowned brokerage Website Closers.

Gwen, reflecting on the acquisition, shared, "Ownloop's commitment to quality and affordability made it a standout choice for tech enthusiasts. It was a pleasure to assist in this deal, knowing that Ownloop's legacy will continue to thrive in the hands of passionate individuals."

This acquisition signifies not just a strategic business move but also a significant moment in the evolution of the tech accessory market. With this transition, Ownloop's vision of providing premium Apple® Watch bands to the masses will reach even greater heights, ensuring tech aficionados continue to enjoy quality products without compromise.

Congratulations to all parties on this meaningful and successful transaction!
