

Empowering Healthcare Stakeholders with Solutions for Human Factors Excellence

Successful Human Factors™ unveils set of services aligned with pioneering SHF 2.0 framework, equipping healthcare stakeholders for successful HF integration.

MIDDLETOWN, NEW YORK, UNITED STATES, October 19, 2023 /EINPresswire.com/ -- In a

Our services integrate proven project management strategies tailored for human factors initiatives. This empowers organizations to improve quality and success without expanding budgets or headcount."

*Katia M. Rojas, MSc., PhD,
SSBBP, PMP*

significant step forward, Successful Human Factors™, renowned for its pioneering SHF 2.0 maturity framework, [recently announced](#) a set of services aimed at empowering key stakeholders in their pursuit of successful Human Factors (HF) initiatives.

These solutions are thoughtfully tailored to meet the specific needs of HF within the medical field, closely aligning with the industry's first-of-its-kind maturity framework, SHF 2.0. This evidence-based innovative framework promotes measurable standardization and improvement in the implementation of HF best practices through seamless integration with well-established project management principles, enhancing key project success

factors.

Addressing Critical Gaps:

Human Factors & Usability Engineering have a significant impact on the success of medical products. Yet, [FDA data revealed](#) alarming failure rates for various HF submission types, ranging from 89.5% to 96.1%. These statistics emphasize the pressing need to standardize and efficiently manage HF projects to enhance quality and alignment.

Dr. Katia M. Rojas, founder of Successful Human Factors, conducted groundbreaking research that revealed the pressing challenges faced by medical product developers and HF teams. As the [original proponent](#) and advocate for applying maturity frameworks in this context, Dr. Rojas leveraged these insights to develop pragmatic solutions.

"Our services integrate proven project management strategies tailored for human factors

Partnering with Premier HFSPs:

Successful Human Factors is teaming up with top-notch HFSPs to enhance the healthcare HF landscape. This collaborative effort not only broadens the spectrum of options available but also grants HFSPs access to specialized project management services.

If you are an HFSP passionate about advancing HF excellence, this is your opportunity to join a network of trusted HFSPs. It enables you to submit proposals to your target audience, fostering business growth while championing standardization and innovation in this field.

In Conclusion:

Successful Human Factors offers specialized services aimed at enhancing HF excellence in healthcare. It invites all stakeholders to explore these opportunities and collectively drive HF success in healthcare. For more information, visit www.successfulhf.com or contact info@successfulhf.com.
