

Axtreme Tree Care Partners with Tree Leads Today, Achieves 80% Growth Milestone

LOVELAND, OHIO, USA, October 23, 2023 /EINPresswire.com/ -- Axtreme Tree Care, a Loveland-based tree care and removal company, is making waves in the tree care industry with its remarkable growth and commitment to providing top-notch tree services to the communities of Clermont and Hamilton counties. The driving force behind this success? A fruitful partnership with Tree Leads Today (TLT).

Under the stewardship of Owner Mark Crawford, Axtreme Tree Care has harnessed the power of exclusive leads provided by TLT, a leading marketing company that specializes in connecting tree care businesses with potential clients in their service areas. The result? An astounding 80% growth in their business since joining forces with TLT.

Mark Crawford explains, "Tree Leads Today has brought us numerous new clients and a steady influx of tree work. The exclusive leads they provide have proven to be more efficient and result in a higher closing rate on job proposals."

Axtreme Tree Care is well-equipped to handle a wide range of tree services, from tree removal and planting to trimming/pruning, hauling, stump grinding, and land clearing. With a highly skilled and hard-working crew, along with a formidable fleet of equipment including a skid steer, dingo, bucket truck, and grapple truck, Axtreme Tree Care can handle any job, including hazardous tasks that require expertise and precision.

One of the standout advantages of exclusive leads is their concentration in specific geographic areas. By ensuring that leads are from a localized region, Axtreme Tree Care not only saves valuable time but also reduces transportation costs, ultimately contributing to enhanced efficiency in their daily operations.

In addition to their dedication to client satisfaction, Axtreme Tree Care holds a BBB A+ Rating, is certified, and is a proud member of the Tree Care Industry Association (TCIA). This commitment to safety, training, innovation, and service distinguishes them from the competition.

As Axtreme Tree Care continues to grow and expand its operations, the company looks forward to increasing its workforce and serving even more clients in the coming year.
