

# With the concept of Kengo Kuma & Associates, Silk Development will build Silk Towers in Batumi

TBILISI, GEORGIA, October 19, 2023 /EINPresswire.com/ -- [Silk Development](#) has entered a partnership with a famous Japanese architecture studio Kengo Kuma & Associates to realize the Silk Towers project. The contract between the company and the architecture studio has already been settled. Kengo Kuma & Associates has undertaken the task of developing a design, a concept, and an updated master plan for Silk Towers.

George Ramishvili - Founder and Chairman of the Supervisory Board of "Silk Road Group":

"We invite world-renowned innovative architects and designers to our projects. The Silk Towers project is being designed by the distinguished Japanese architect Kengo Kuma, whose architectural concept revolves around the usage of natural sustainable materials in creating harmony with the environment. I am confident that the outcome of this collaboration will be most outstanding. We want the Silk Towers, and the Batumi Riviera as a whole, to be an exceptional architectural development to adorn the beautiful Batumi seacoast. I'm sure that, alongside us, the people of Batumi will be proud of this exceptional, environmentally and aesthetically harmonious complex."

Yuki Ikeguchi - Executive Vice President of "Kengo Kuma &

Associates":

"The waterfront development of Silk Towers offers the city a distinctive architecture and landscape design that echoes the expansive, rich nature of Batumi. The ground with dense lush

vegetation, flora and fauna, interplay with waterscape would activate and qualify the open spaces that people can enjoy freely. The project would redefine the waterfront as a catalyst to further enhance and celebrate the cultural and natural landscape that closely engaging the urban life.”

Silk Development is renowned for its real estate projects that consistently meet the highest international standards. The company places a strong emphasis on sustainable architecture, actively seeking to integrate eco-friendly practices and initiatives into every aspect of their new developments, ensuring a greener and more responsible future.

#### About Silk Development:

Silk Development is responsible for the management of all projects within the Silk Road Group. The list includes Radisson brand hotels in Tbilisi, Batumi and Tsinandali, as well as the “Park Hotel” in Tsinandali, Tsinandali Estate Villas, a multifunctional complex “Republic”, the “Iveria Beach Club”, a night club “Noble Savage”, the café “Iveria”, sport complex “Neptune” and residential complex “Green Cape Botanico”.
