COLUMBUS, OHIO, UNITED STATES, October 19, 2023 /EINPresswire.com/ -- Professional [bath remodeling company Simple Bath](#) donated time and resources to a local veteran this

summer in a move to show their appreciation for community heroes. The Hilliard-based company provided this veteran and their family with a total [bathroom makeover](#), valued at \$16,000. The comprehensive 2-day renovation included redoing the shower, countertops, faucets, and floor. Simple Bath plans to participate in more donated remodels to community members in the future.

The project was facilitated through their partnership with The Blitz radio station and their Salute to Soldiers campaign. The recipient was very appreciative of this remodel due to the fact that an older relative lives with them. Because of this, the shower was made ADA-compliant - featuring a seat and grab bars - not just as a convenience but as a vital safety enhancement compared to stepping over a tub.

"We have been providing bathroom remodels for years to veterans in our community. So when the Salute to Soldiers campaign was brought to our attention we knew that we wanted to play a part. Providing a Free Bathroom remodel was just a small way for us to show our appreciation for these heroes." - Simple Bath
