Face and Body Collection of natural plant-based blended oils and extracts

- Luster features the anti-aging Phyto-Retinol Bakuchiol, the potent antioxidant Astaxanthin, the soothing properties of green tea, hibiscus flower, and calendula extract with pomegranate oil, rosehip, black cumin, and squalane. Luster promotes a radiant and youthful complexion by boosting cell turnover, providing protection against damaging environmental factors, smooths the appearance of fine lines, and improves hyperpigmentation.

“

We believe in the importance of antioxidants, and its crucial role for our health. With this in mind, our products were created to help achieve optimal skin without harmful additives or fillers.”

- Timeless Body Oil is a blend of antioxidants and ceramide-rich oils such as Plum, Jojoba, and Oat with Goji Berry extract. It provides a deep moisturizing experience while helping reinforce the skin's natural barrier, leaving it feeling incredibly soft and glowing. The scent is delightfully sweet, and the oil can be used as a fine mist or slow-releasing pump for the body and hair.

Alongside Luster Face Oil and Timeless Body Oil, Original

World Beauty offers a range of other organic oil serums to cater to various skincare needs.

- Argan Oil Serum with Vitamin C: formulated to brighten and nourish the skin.
- Castor and Pumpkin Oil: for lashes, eyebrows, and hair designed to boost and strengthen hair

follicles.

- Beard Boost with Sandalwood: A beard oil to moisturize and promote the growth of the beard.
