CHICAGO, ILLINOIS, UNITED STATES, October 19, 2023 /EINPresswire.com/ -- Worship is the language of the kingdom. No artist knows this statement to be more accurate than Grammy Nominated Gospel Recording Artist and Songwriter Todd Dulaney. After accepting an invitation to join the iconic Cece Winans on her "Believe for It" national tour, Dulaney is preparing to release a new sound of praise and worship music to the masses.

Todd Dulaney Basks in the Moment on Stage with Cece Winans

"God knew what I needed when He connected me to Cece Winans for this tour; she has no compromise in her walk with God," says Todd. "I've learned more in two days of being around Cece than I've learned around anyone in my life."

On this six-city tour, Todd opens his set in tiny desk form as he sits on a stool with three background vocalists and minimal background music support. He offers a sound only he can as the crowd responds with lifted hands and

singing along. With a standing ovation from the audience, Dulaney sings a blend of his greatest hits, including "Your Great Name," "The Anthem," and "Victory Belongs to Jesus." He later returns to the stage alongside Cece Winans in an explosive rendition of his song, "King of Glory," which elevates the atmosphere in the room to another level. Following "King of Glory," Todd and Cece are joined by Jenn Johnson for a medley of closing selections, including Jenn's song, "Goodness

of God."

Being alongside authentic worshipping performers has again catapulted Todd into the next level of his music and ministry and has paved the way for "The Journey" to impact generations of gospel music enthusiasts.

Dulaney describes "The Journey" as a project that is a culmination of all he has experienced on his journey, not just in music but in his career and his life.

One of the highlight songs of "The Journey" EP is the soulful and encouraging "My Help," which he dedicates to the memory of Ashley Hardin, who worked alongside the Dulaney team for over a decade.

In addition to "My Help," Todd welcomes the genius of Bishop Hezekiah Walker on the song "It's Working." Listeners will also hear from Darrel Walls, Jabari Johnson, and Tim Godfrey.
