

Vision Tree Service Advises Michigan Residents On Preparing Trees for Upcoming Ice Season

OKLAHOMA CITY, OKLAHOMA, USA, October 20, 2023 /EINPresswire.com/ -- Vision Tree Service, led by owner Kodi Gosiak, is making impressive strides in the tree care industry, thanks to its partnership with Tree Leads Today (TLT). Vision Tree Service, known for its commitment to excellence, has experienced a remarkable 50% growth in business since joining hands with TLT. This surge in growth is a testament to the benefits of exclusive leads provided by TLT.

Over the course of the partnership, Vision Tree Service has expanded and secured larger jobs, further establishing itself as a reliable and professional choice in the industry. The company's commitment to quality and customer satisfaction has earned it a loyal client base in the regions of Edmond, Norman, Oklahoma City, and Moore.

One of the remarkable aspects of Vision Tree Service is its specialization in addressing the aftermath of ice storms. Neglected trees can pose significant risks during such events, with heavy ice causing damage to homes, cars, lawns, and neighboring properties. Vision Tree Service's thorough assessments not only identify potential risks but also provide precise predictions of the areas most vulnerable to ice damage.

Kodi Gosiak values the exclusive leads provided by TLT. These leads come from customers right in their local area, serious about addressing their tree care needs promptly. The ability to focus on clients in a specific area, thanks to TLT's targeting, saves time, money, and resources. Unlike other marketing companies that scatter leads from various locations, TLT's concentration of leads makes business operations more efficient and cost-effective.

As the season shifts towards October and November, Vision Tree Service is at the forefront of helping residents prepare for impending ice storms. Kodi Gosiak notes that this is the time of

year when clients turn to them to ensure their trees are ready for winter. The company has built a large and loyal clientele who rely on their expertise to safeguard their trees and properties during the winter months.

Vision Tree Service's partnership with Tree Leads Today has redefined excellence in the tree care industry, emphasizing the value of exclusive local leads, efficiency, and a commitment to the safety and satisfaction of their clients.
